your vote counts!

We're counting on you to help us win a \$25,000 endowment fund for our youth ministries to be established by the Presbyterian Foundation.

Our youth group is participating in a *Video Challenge* at ymiLIVE.org. The challenge was to produce a short video of our interpretation of John 7:38: "Out of the believer's heart shall flow rivers of living waters."

The video has been posted at ymiLIVE.org and we need you to vote. First, you must go to the website and register. After your registration has been confirmed, you can then vote for your three favorite videos.

Please support us!

2. Register first, then return to vote.
3. It's easy to search and find our video by using our church name and city, state.
4. View the video and VOTE!
